## Meetings run on most Tuesdays from September to June

From 7:45pm for 8:00pm start, to 10:00pm,  
with a refreshment break about 9:00pm.

Most meetings will be **IN PERSON** in the  
Crypt Room of St John's Church, Church Row,  
Hampstead NW3 6UU, but some will be held  
using Zoom, as noted overleaf  
**with a Z beside the date.**

## Hampstead Photographic Society

Membership of Hampstead Photographic Society is open to anyone with an interest in photography — beginners or professionals. The annual subscription is **ONLY £65** for all 40 meetings (reducing as the season progresses). We welcome visitors, admission £5 per meeting (refunded on joining).

### A wide-ranging programme

The core of our programme is a series of talks by outside speakers, covering a wide range of topics including photojournalism, the art of photography, urban/street photography, landscape and travel photography – as well as more specialised topics.

We also hold regular competitions, judged by external specialists. These give members a chance to show their work, and have it independently assessed.

In addition, several HPS members are highly expert in all areas of photography, including digital processing techniques and, as well as running regular sessions on novel techniques in photography, they offer one-to-one tuition (to full HPS members only). Finally, we also have a few informal Members' Evenings where members can exchange ideas and obtain or give advice.

**If you are keen to learn more or just want to share your interest, HPS is a great place to begin improving and getting more enjoyment from your photography: COME AND JOIN US!**
